Auditor Fredrick Lantz, Partner with Sikich, LLP, presented the Huntley Village Board with a clean, unqualified opinion of its financial statement for the fiscal year ending Dec. 31, 2015 at the board meeting on Thursday.

The auditor congratulated the board on having received a certificate of achievement for excellence in reporting from the Government Finance Officers Association for having prepared a Comprehensive Annual Financial Report.

"I am very pleased to present a clean, unmodified opinion. Your report is free of material errors. I offer congratulations as only three tenths of one percent of all government agencies nationwide receive this designation," Sikich said.

Sikich also lauded the village staff for preparing an excellent Management Discussion and Analysis as part of the financial report.

"Believe it or not, we use (the village's analysis) as an example for other communities on a national basis," he said.

The board accepted the Comprehensive Annual Financial Report as presented and placed it on file for the fiscal year ended Dec. 31, 2015.
